Credentials & Study cases — 2023 & 2024

CREATIVITY FUELED BY AN OBJECTIVE PERSPECTIVE FORMS THE ESSENTIAL FOUNDATION FOR SUSTAINING CONTINUOUS INNOVATION WITHIN ADAPTIVE ENVIRONMENTS

Since 2011 until now,

we dedicate our heart and time
for every prospects, visions and missions
through our 4 (four) pillars of method ;
Creative, Objective, Durative & Adaptive.

Also known as CODA.

CODEMECHA
Our teamwork mechanism

We strain towards the whole technical
process by gathering people
with a great attitude and strong passions.

Clustering the designers & coders
in order to maximize their potential and
communicate transparently are the
mechanism that differentiate us from others.

Manage a great work is one thing,
but to gain a trust is everything.

CODEX

Our experience to capture your visions

Skillsets

- ★ UX Planner
- ★ UI/UX Engineer
- ★ Scrum Master
- ★ Project Manager
- ★ Frontend Developer
- ★ Backend Developer
- ★ Quality Assurance (QA)
- ★ Technical Documentation Writer

Technology Stacks

Laravel	Lumen
Code Igniter	React JS
Next JS	Gatsby
Angular	Vue JS
Django	MySql
PostgreSQL	MSSQL
Native Android	React Native
Native iOS	Arduino

Primary Tools during development

Figma	Photoshop
Backlog	GitHub
GitLab	BitBucket

Supporting Tools during development

JIRA	Illustrator	XD
Slack	Google Sheet
